PROFESSIONAL SUMMARY

ALX-certified Virtual Assistant and Nigerian law graduate (LLB; Barrister-at-Law, Call to Bar in view) with over 18 months of combined remote VA and operational support experience across multiple clients. Background spans executive coordination, inbox and email management, financial payment tracking, scheduling, database management, customer-facing correspondence, and legal document review. Highly self-directed, comfortable working without supervision, and experienced at managing competing priorities across simultaneous workstreams.

EXPERIENCE

Virtual Assistant | Daniel Torkura, Project Manager (NorthQuest Finance)

Mar 2026 – Present | Remote, GMT+1

- Coordinated daily administrative operations, task scheduling, and cross-workstream reporting for a project manager at NorthQuest Finance
- Maintained a Google Sheets payment tracker for a 99-profile influencer database, monitoring outreach status, payment schedules, and campaign progress across all contacts
- Drafted job advertisement and managed full recruitment pipeline for a product-designer vacancy, from candidate sourcing to interview scheduling
- Reviewed and edited commercial contracts and policy documents, flagging material clauses before sign-off
- Transcribed meeting audio recordings and produced structured minutes, action logs, and end-of-day task reports
- Managed all third-party correspondence via email, WhatsApp, and phone, ensuring no inquiry or follow-up was missed

University Research Assistant (Remote) | Seun Lari-Williams, PhD Researcher | University of Antwerp / MIPLC

Oct 2024 – Mar 2025 | Remote

- Provided remote operational and research support to a PhD researcher, managing research deliverables, drafting legal documents, and maintaining structured contact databases independently
- Delivered all research outputs on a fully remote schedule with no supervision across a 6-month engagement

Managing Editor & Social Media Manager | Pidgin Poetry

Nov 2024 – Apr 2025 | Remote

- Managed all inbox and outbox correspondence across email, Instagram, and X on behalf of the platform, handling 100+ monthly inquiries professionally and responsively
- Grew platform following from 20 to 491 in 5 months; published 150+ original posts, maintained editorial calendar, created graphics using Canva, and sent weekly newsletters via Mailchimp
- Organized the platform's first open poetry contest, managing submission intake, judge coordination, and all deadline-related follow-up by email

Multimedia & AI Video Content Manager | Aunty Akanke

Nov 2024 – Present | Remote

- Managed full production pipeline across 9 AI-animated video segments using Kling, Wan 2.1, and CapCut; grew channel from 108 to 10,000+ subscribers in under 9 months
- Transcribed and translated Yoruba-language audio to English; reviewed and quality-checked all AI-generated outputs before publication
